Eric and Chip:

I understand (b) (6) I have a few questions regarding the Round 3 Biota FSP:

A) Our team is currently preparing the FSP addendum based on the site recon. It would be best to incorporate EPA comments on the FSP into this addendum. When should we expect to receive EPA comments?

B) (b) (6), who is the Agency point of contact (b) (6)? We will need the name and phone number so we can stay in contact during field activities.

Thanks,
